

POSITIONS REPORTED TO CAREER SERVICES BY SCHOOL OF DESIGN 2007 GRADUATES

The following is from data collected by Career Services as part of its annual survey of School of Design students who received degrees in December 2006, May 2007, and August 2007. Seventy-four PennDesign students responded to the career plans survey. When possible, an average reported salary is provided; however, some graduates chose not to share that information.
