The following is based on Career Services’ annual survey of graduating School of Design students. Between May 2014 and January 2015, Career Services surveyed students graduating in December 2013, May 2014 and August 2014. Of the 266 PennDesign graduates from this period who received the survey either online or in the mail, 126 students responded – a 47% response rate.
