University of Pennsylvania
December 2009, May 2010 and August 2010

Career Services surveyed 755 Master’s and doctoral recipients from the schools listed above shortly after they graduated. For December 2009 - August 2010, there were 316 respondents—a 42% response rate. The majority of the data was compiled via an online survey.

Positions and salaries listed below are from survey data returned to Career Services. In addition to the data below, 53% of graduates indicated that they used some type of social media/online network to help them in their employment search.

**Employment Status**

- Full-time Employment - 41%
- Part-time Employment - 6%
- Continuing Current Employment - 8%
- Postdoctoral Fellowship - 27.5%
- Full-time Graduate Studies - 6%
- Self-Employed - 0.5%
- Other - 4%  (64% of “Other” completing a medical residency)
- Still Seeking Employment - 7%
Date of Offer* - Percentage of Students who Received their Offers within:

- 1-2 months of graduation date - 17%
- 3-4 months of graduation date - 13%
- 5-6 months of graduation date - 1%
- > 6 months of graduation date - 3%
- Before their graduation date - 58%
- Continuing current employment - 8%

*Does not include graduates who indicated "Other Employment Plans" or "Self-Employed" on the Survey.

Positions Accepted – By school and academic department

Positions accepted by 2010 graduates are listed by Employer, Department (when provided), Position Title and Location. Many who returned the survey chose to omit salary information, but the average salary by department is posted if 3 or more graduates indicated their annual salary in their responses.
