

2010 U.S. SUMMER EXTERNSHIP & OPPORTUNITY RESOURCE GUIDE

(updated November 2009)

Nursing Students: Welcome to the 2010 U.S. Summer Externship and Opportunity Resource Guide. The guide is organized alphabetically by state. In some cases, finalized information was not available for 2010, so continue to visit the web sites to confirm application deadlines.

As you will notice, some applications deadlines are fast approaching, others do not mention deadlines at all, and some accept applications on a rolling, as-needed basis. Whichever the case, **we recommend applying early!** Where it was provided, we have the names of the appropriate nurse recruiters.

PLEASE REVIEW EACH FACILITY'S WEB SITE THOROUGHLY BEFORE YOU CONTACT A NURSE RECRUITER WITH SPECIFIC QUESTIONS, as you may save yourself potential embarrassment. If you do not meet the requirements listed here or on the suggested website, contact the nurse recruiter personally, as s/he may be flexible. In the event that the contact provided is no longer at the facility, ask to speak to the person in charge of the externship program. Nearly all of the positions listed below are paid and do not require a CNA.
