

## Careers with one of the premier global investment banks

Barclays Capital is a global full-service investment bank to provide its corporate and institutional clients the full spectrum of solutions to their strategic advisory, financing, and risk management needs. Barclays Capital has offices around the world, employs over 25,000 people and has the global reach, advisory services and distribution power to meet the needs of issuers and investors worldwide. You can expect to be part of a dynamic investment bank with an innovative, entrepreneurial culture; one that strives for excellence and gives talented individuals the space and support to explore their potential.

### What opportunities are available?

Summer internship and full-time graduate opportunities across our Asia Pacific offices such as Hong Kong, Tokyo, Seoul, Singapore and Mumbai.

### Summer Internship Programme

Our Summer Internship Programme is designed to provide our summer interns with broad exposure to the businesses. This 10 week intensive programme consists of real and practical work assignments that allow you to participate and contribute to real meetings or research projects. We have emphasis on work balancing to anticipate our interns' events and social community events that enable all of you to build a vital network with colleagues and friends. The goal of our summer programme is to provide you a solid foundation and genuine working experiences in this competitive financial and banking environment. Depending on your area of interest, level and stage of study, you can apply for an internship with Barclays Capital as an Analyst or Associate.

#### - **Analyst**

Analysts fulfil a multitude of functions across the business. They are highly numerate, with strong communication skills. The ability to work well as part of a team is essential. We welcome undergraduate / masters students in their penultimate year to apply.

#### - **Associate**

Associates work across the business and provide a combination of academic and professional expertise. They need professional work experience, together with evidence of progression, responsibility in terms of project work, teamwork and leadership, international awareness/exposure etc. We welcome first year MBA students to apply.
