STUDENT ACKNOWLEDGEMENT –NO SUMMER STORAGE IN UNIVERSITY CHAPTER HOUSES

- TO: CURRENT CHAPTER HOUSE RESIDENTS
- FALL 2010/SPRING 2011 ACADEMIC YEAR
 - FALL 2010 SEMESTER ONLY
 - SPRING 2011 SEMESTER ONLY

PLEASE READ THE FOLLOWING CAREFULLY AND SIGN BELOW

At the time my term of occupancy expires either on December 23, 2010 at 12 noon (if you are a Fall only resident); or May 11, 2011 at 12 noon for undergraduates and May 17, 2011 at 12 noon for graduating seniors (Fall 2010-Spring 2011 and Spring 2011 only residents), all of my personal belongings MUST have been removed from my assigned bedroom and my chapter house. Any of my personal items found in the chapter house after that time will be removed as provided for in this "No Summer Storage" policy. The cost of packing and shipping personal belongings (not including furniture) to my permanent address, if I do not pack and remove my belongings by the times noted above, will be assessed to my University Student Financial Services account without further notification. I further understand that any personal items I leave behind will either be shipped as noted above or removed and donated to charity for distribution to the less fortunate as part of the University's Housing Services Penn Moves Program or other local community charities programs.

The only exception to this policy is furniture that I will be using if I am living in the chapter house again for the next academic year (2011-2012) provided I have signed (1) an occupancy agreement for 2011-2012; (2) other supporting documents; and (3) I have a room assignment. Furniture is to be empty and have absolutely no contents (bed, dresser, refrigerator, desk, book case and air conditioner ONLY). All furniture must be marked with my name and room number for the 2010-2011 academic year. If I am living in the house for "Spring Semester, 2011 Only" NO furniture may be left in the house. NOTE: Any furniture left is done so with the understanding that I, the student, assume full responsibility for any damage or loss to my furniture if anything should happen while I am not in residence/enrolled on campus or, during maintenance or cleaning of the bedroom. During Semester breaks and in the Summer, numerous third-party vendors – cleaners, contractors, maintenance workers and others – have access to the Chapter House. The University cannot assure and will not assume responsibility for the safety of my personal property left in a bedroom or anywhere else in the chapter house. Computers, stereos, and other electronic equipment in particular, are small and highly portable.

In addition, I understand that the Occupancy Agreement I signed indicates that: Section X 1. "The University and the Fraternity shall not be liable for any damage to or loss of personal property in the room(s) or storage areas assigned to the student or any other person."

I understand it is my responsibility to make arrangements for any moving or storage of my personal belongings through outside resources and that the Penn Student Agencies can provide information on those services.

I, (please print name) _____, understand and agree to these terms and conditions as it relates to my personal belongings and the No Summer Storage Policy in my chapter house.
