

LOFTS/BUNK BED POLICY FRATERNITY AND SORORITY HOUSES

Your chapter house is equipped with a fire sprinkler system to mitigate risks associated with fire. To help prevent interference with the proper functioning of the sprinkler heads in your room, anyone planning to install a bunk/loft bed must contact OFSA Facilities no later than July 15 (for Fall Semester move-in) or November 15 (for Spring Semester move –in) for inspection/verification that the size and location of the loft/bunk bed complies with OFSA requirements. Unauthorized lofts will be removed and all costs associated with the removal will be the responsibility of the student/occupant assigned to the room.
