STUDENT ACKNOWLEGEMENT –NO SUMMER STORAGE IN UNIVERSITY CHAPTER HOUSES

TO: CHAPTER HOUSE RESIDENTS
- **SUMMER 2009 (Summer Session 1 or 2 or both)**
- **FALL 2009/SPRING 2010 ACADEMIC YEAR**
- **FALL 2009 SEMESTER ONLY**
- **SPRING 2010 SEMESTER ONLY**

PLEASE READ THE FOLLOWING CAREFULLY AND SIGN BELOW

At the time my term of occupancy expires either on July 3, 2009 at 12 noon (Summer School Session #1) or August 15, 2009 at 12 noon (Summer School Session #2); December 23, 2009 at 12 noon (if you are a Fall only resident); or May 12, 2010 at 12 noon for undergraduates and May 18th at 12 noon for graduating seniors (Fall 2009-Spring 2010 and Spring 2010 only residents), all of my personal belongings MUST have been removed from my assigned bedroom and my chapter house. Any personal items found in the chapter house after that time will be discarded as provided for in the "No Summer Storage" policy.

The only exception to this policy is furniture that I will be using **if** I am living in the chapter house again for the next academic year (2010-2011) provided I have signed (1) an occupancy agreement for 2010-2011; (2) other supporting documents; and (3) I have a room assignment. Furniture is to be empty and have absolutely no contents (.e.g. bed, dress, refrigerator, desk, book case and air conditioner). All furniture must be marked with my name and room number for the 2010-2011 academic year. If I am living in the house for "Spring Semester, 2010 Only" *NO* furniture may be left in the house. NOTE: Any furniture left is done so with the understand that I, the student, assume full responsibility for any damage or loss to my furniture if anything should happen while I am not in residence/enrolled on campus or, during maintenance or cleaning of the bedroom. During Semester breaks and in the Summer, numerous third-party vendors – cleaners, contractors, maintenance workers and others – have access to the Chapter House. Despite rigorous efforts, the University cannot assure the safety of my personal property. Computers, stereos, and other electronic equipment in particular, are small and highly portable.

In addition, I understand that the Occupancy Agreement I signed indicates that: *Section X 1. "The University and the Fraternity shall not be liable for any damage to or loss of personal property in the room(s) or storage areas assigned to the student or any other person."*

I understand it is my responsibility to make arrangements for any moving or storage of my personal belongings through outside resources and that the Penn Student Agencies can provide information on those services.

I, _____, understand and agree to these terms and
(please print name)
conditions as it relates to my personal belongings and the No Summer Storage Policy in my chapter house.
