

# Mid Year Self-Assessment

Successes/Things I'm Proud of...

Challenges/Things I Can Improve Upon...

Pick two of the following competencies and elaborate on how successful you have been so far during your term at developing these further: *clear communication, adaptability, accountability, problem solving, valuing diversity, initiative, managing resources, organization/project management, working collaboratively and managing conflict*. Use the back of this page if needed.

Read through your job description. How are you doing? Anything you are missing?

Things I need additional help on from Stacy or Alex next semester...

My overall rating of my performance is...
