 GENERAL INFORMATION 215-898-7297  
 SPECIAL SERVICES 215-898-6600  
 ESCORT SERVICES 215-898-RIDE  
 215-898-WALK

THE FOLLOWING IS A TRAFFIC ADVISORY FROM THE UNIVERSITY OF PENNSYLVANIA'S DIVISION OF PUBLIC SAFETY.

### ADVISORY:

**New Traffic Pattern:** On April 4, 2009 you should expect a new traffic pattern between University Avenue and South Street (in the vicinity of Penn's medical complex). Civic Center Boulevard will become one-way southbound from the Hospital of the University of Pennsylvania to Health Sciences Drive. Health Services Drive will become one-way northbound. This new traffic pattern was designed to ease the traffic flow and enhance emergency vehicle access to the hospital buildings. Please refer to the map below. Information is also available at: [http://www.publicsafety.upenn.edu/ssbridge/rssArticles/04-2009-One-Way-Loop\\_RSS.asp](http://www.publicsafety.upenn.edu/ssbridge/rssArticles/04-2009-One-Way-Loop_RSS.asp).

**Live Traffic Webcams:** The University of Pennsylvania Health System has installed two traffic cams to help motorists view traffic conditions in the areas of Civic Center Boulevard (looking toward University Ave) and 33rd & Market Streets. These cameras provide a live aerial view of the streets and refresh every five minutes. To view the webcams, visit: <http://pennhealth.com/alerts/webcams.html>.
