Connecting to AirPennNet-Guest

As of April 27th, 2017, visitors to campus will only need a valid e-mail address to connect to AirPennNet-Guest. The e-mail address need not be a Penn-provided address.

Previous authentication methods such as Conference Codes, Guest PennKeys, or sponsorship by a Penn affiliate will no longer be required, eliminating the need to submit requests for wireless access during events.

1. Connect to AirPennNet-Guest as you normally would on your PC or mobile device.
2. Open a web browser.
   - If you are not presented with a webpage detailing the Acceptable Use Policy terms and conditions for using AirPennNet-Guest upon launching your web browser, attempt to navigate to any website (i.e. google.com) and you should be redirected automatically.
3. Read and accept the Acceptable Use Policy terms and conditions for using AirPennNet-Guest.
4. Enter a valid e-mail address.
   - i.e. jane.doe@gmail.com
5. Click Submit.
