Assistant Director, Clinical Administration

Name: __________________________ Credentials: __________________________

Address: ______________________________________

Phone: ______________________________________

Fax: ______________________________________

1. Please explain why this student engaged in treatment

2. What was your initial clinical/diagnostic impression?
3. What was the duration of your treatment?

What was the frequency of your treatment?

What was the date of your last visit?

4. Please indicate others involved in the care of this student (Name, address, phone)

   Family members:

   Other Professionals:

   Hospitals:

5. What is your current diagnostic impression?

   How stable is the student’s condition?

   The environment at Penn is stressful. Please let us know your opinion about the student’s ability to manage the stress successfully.

6. What medications and present doses are prescribed?

   What medications have been tried and why are they no longer being used?
7. What recommendations for further care have you made to this student now?

Can you identify any specific precipitants that could put this student at risk?

8. What additional support might benefit this student in their performance (e.g. special living situation, altered intensity of academic stress, structured activities, other campus resources, etc.?)

9. Will you continue to play a role in this student’s care upon his or her return to school?

10. Please note other important observations or comments.
