A.T. Kearney

A.T. Kearney is a leading global management consulting firm with offices in more than 40 countries. Since 1926, we have been trusted advisors to the world’s foremost organizations. A.T. Kearney is a partner-owned firm, committed to helping clients achieve immediate impact and growing advantage on their most mission-critical issues. We continue to live by the principles established by our founder Andrew Thomas (Tom) Kearney and his belief that “our success as consultants will depend on the essential rightness of the advice we give and our capacity for convincing those in authority that it is good.” Our work is always intended to provide a clear benefit to the organizations we work with in both the short and long term.

Adrenaline Fundraising

Adrenaline Fundraising is a company that specializes in athletic fundraising. We are the #1 athletic fundraising company in the nation and have a consistent track record of growth and success. We work with high school coaches and players to help them raise more money than they thought possible in a shorter amount of time than they’re used to. Our organization is made up of recently graduated, hardworking, sports enthusiasts. We take a lot of pride in what we do for our programs. We each work in our own territory that allows us to be competitive and unselfish. If you like sports and would enjoy making an above average living helping high school and youth sports programs, please stop by the booth and talk with us. We have two positions available within Southeast Pennsylvania.

Lutron Electronics Co. Inc.

Joel and Ruth Spira founded Lutron Electronics Company, Inc. in 1961. Lutron's first product was called a "dimmer switch" and represented the world's first solid-state electronic device used to dim lights in a home, replacing bulky rheostats and autotransformers that were inefficient and unattractive. Although Lutron has grown substantially over the past several decades, the company still maintains the feel and personal closeness of a smaller firm, and to this day still operates under the guidance of the company’s 5 Principles: Take Care of our CUSTOMER. Take Care of our COMPANY. Take Care of the PEOPLE. INNOVATE with a HIGH STANDARD OF QUALITY. Always Deliver EXCELLENT VALUE. With 100+ patents issued over the last 2 years, Lutron Electronics drives our industry’s innovation.

Position(s) Available: Construction Design and Development Program, Information Technology Specialist, Project Accountant, Sales Leadership Development Program, Supply Chain Specialist

**Mars & Co Consulting**

Mars & Co is a unique global force in the Strategy Consulting industry – yet keeps a low profile: Small enough to be personal, yet serving many of the world’s largest corporations. Providing clients with deep expertise, yet only serving one client in any given industry on a long-term basis (so as to never serve clients who compete with each other). Composed of over 200 consultants, yet our consultants are not pigeon-holed into practice groups and have the opportunity to work across a variety of industries and business functions. At Mars & Co, you immediately get the opportunity to help provide high impact strategic and operational assistance to an elite group of mainly Fortune 100-sized companies.

Position(s) Available: Associate Consultant, Senior Associate Consultant

http://marsandco.com

**MasterCard**

As consumers and businesses continue to seek ever faster, more secure and smarter methods of payment for an increasing array of transactions, MasterCard is at the center, providing a sophisticated set of transaction processing and consulting services that enable economic connections, fuel commercial development on a global and local scale and drive business growth for our customers. Today, MasterCard is essential to day-to-day commerce. From major cities to emerging markets, we are stimulating economies and changing the way the world does business. We are a critical link among tens of thousands of financial institutions, millions of businesses and hundreds of millions of cardholders. What’s more, we are advancing commerce through innovations that benefit everyone, everywhere.

Welcome to Millward Brown Vermeer, the only marketing consultancy focused on unleashing purpose-led business growth through the development and embedding of consumer insight-driven marketing strategy, structure and capability. We build industry leaders by designing 'whole-brain' advisory offerings at the crossroads between creativity, consumers and business. This uniquely whole-brained approach is reflected in our name: a reference to the brilliant Dutch painter’s revolutionary ability to combine art and science to capture light in his paintings. It also translates from Dutch into “far more,” exactly what we hope to bring to the market.

Options for College

Options for College helps students and families get into and get the most out of college. We are different because we use a proven program, The Way There, with a three-phase, ten-step curriculum that sets the standard for what college guidance is supposed to be. Our success is measured by student acceptance rates that are higher than those of other students with the same SAT scores and grades, and better grades and outcomes once students are in college. Getting in is wonderful, but knowing what college is and how to navigate it ultimately leads to making the most of the college experience. Our students are assets to their respective colleges and bring measurable passion and goals to school with them.

http://optionsforcollege.com

Optoro

Recognized as one of the fastest growing companies in the country, Optoro is revolutionizing the retail industry. Each year, 10-15% of all inventory is returned or deemed excess, which poses a $500B problem for retailers nationwide. Optoro’s proprietary software & ecommerce platform provides a better way of dealing with those goods – delivering better value for clients, offering amazing deals to consumers and keeping items out of landfills. Located in the heart of the nation’s capital, we’re backed by some of the most prominent investors in the country, including Kleiner Perkins & Revolution Growth. We are looking for individuals with creativity, energy, and passion to help build a lasting company focused on the double bottom line.

TASER International

At TASER we make communities safer with innovative public safety technologies that protect life and truth. Founded in 1993, TASER first transformed law enforcement with our electrical weapons. Today, we continue to define smarter policing with our growing suite of technology solutions. If our mission to protect life is the “why,” then our values are the “how.” We dare to solve difficult problems by embedding several core principles into the very DNA of the company. The company began with a mission to make the world a safer place. Our founder and the full leadership team continue to run the company with a commitment to improving the lives of employees, customers, and citizens.

Teach For America

All children in this country deserve an education that gives them the opportunity to realize their fullest potential. Today, fewer than 10 percent of kids from low-income communities graduate from college. By becoming part of Teach For America, you join remarkable people from all backgrounds and professions who rise to the challenge to do what is right for kids. As a corps member, you’ll teach for at least two years in a low-income community, where you’ll show students what’s possible when they work hard and dream big. As your students thrive, you’ll grow in ways you never imagined. Let your job lead to your purpose. Change and be changed. Full salary and benefits. Federal student loans deferred. All majors and career backgrounds.

United States Peace Corps

As the preeminent international service organization of the United States, the Peace Corps sends Americans abroad to tackle the most pressing needs of people around the world. Peace Corps Volunteers work at the grassroots level toward sustainable change that lives on long after their service—at the same time becoming global citizens and serving their country. When they return home, Volunteers bring their knowledge and experiences—and a global outlook—that enriches the lives of those around them. The Peace Corps’ Mission: To help the people of interested countries in meeting their need for trained men and women. To help promote a better understanding of Americans on the part of the peoples served. To help promote a better understanding of other peoples on the part of Americans.

Urban Teacher Center

Urban Teacher Center (UTC) is revolutionizing the way people are prepared for a career in teaching. Through hands-on training, coaching and peer supports, we give teachers the skills they need to ensure that students in high-poverty communities are actually learning and have a chance to reach their full potential. By doing so, our teachers are changing the lives of the students, families and communities they serve as well their own.

Venture for America

Venture for America is a fellowship program for recent grads who want to learn how to build a business while making an impact. VFA Fellows get training and join a startup in an emerging US city, where they live and work for two years at one of our hundreds of partner companies. They learn hands-on what it takes to build a company, while getting the mentorship, network, and ongoing support to prepare themselves to become successful entrepreneurs. Our goal is to spark job growth in cities that need it by sending our top-talent to help grow the businesses that will make it happen.
