Aug. 26  Pizza with Career Services  
12:00-1:30pm in Meyerson B3  
The tastiest way to start thinking about getting the job you want ...!  
Grab some lunch and get to know your career advisors. We'll have pizza for you, and will be chatting about some of the resources we have specifically for PennDesign students just starting their programs. This will be a relaxed and informal event, so bring your questions, and we'll make sure we give you some answers. BONUS: Read some valuable advice now about making the most of your program from PennDesign graduates: [www.vpul.upenn.edu/careerservices/careerfairs/studentinfo.php](http://www.vpul.upenn.edu/careerservices/careerfairs/studentinfo.php)

October  Networking with PennDesign alumni - Lunchworking  
Wednesdays in October; Weigle Information Commons Class of 1968 Seminar Room  
A networking series hosted by Career Services to help you connect with PennDesign alumni both near and far, in-person or online, to explore your future career options and opportunities. [Network with Penn alumni in the Boston area](http://www.vpul.upenn.edu/careerservices/careerfairs/studentinfo.php) during lunchtime as they video-conference in from their place of work. Lunchworking programs provide an opportunity for you to learn more about the careers of Penn alumni, ask questions, and get the advice you need to seek out internships or full-time positions. (Speakers TBA)

Nov. 04  PennDesign Internship Panel  
12:15-1:30pm in Meyerson B3  
Career Services hosts several PennDesign student panelists in their second and third years who share their experiences, insights and advice with students seeking internship opportunities for next summer (2016). After the panel and Q&A there will be time to network. (Panelists TBA) BONUS: see the list of internships held by recent graduates while they were in their Penn programs: [http://www.vpul.upenn.edu/careerservices/penndesigninternships.php](http://www.vpul.upenn.edu/careerservices/penndesigninternships.php)

Nov. 18  Portfolio Preparation Event  
12:15-1:45pm in Meyerson B3  
This event will address how to create an effective portfolio for an internship or job search. While NOT a portfolio review, this event provides PennDesign students from any department a chance to hear answers to help build a portfolio that will make the best impression on hiring managers. PennDesign alumni from local firms will share their insights and expertise. Panelists will address some of these questions:  
- What is supposed to be in a portfolio?  
- How important is the portfolio in the hiring process?  
- What are they looking for when they review your portfolio?  
- How should you organize your portfolio?  
- How should you talk about your portfolio in an interview?

Dec.  Career Services Walk-in Advising/Resume Reviews  
12:00-2:00pm in Meyerson B3  
Career Services will hold 15 minute walk-ins in the Meyerson building. These brief meetings are an opportunity for graduate students in PennDesign to have quick questions about careers or job searching answered, or to have job and internship application materials reviewed. Preregistration is not required; however, students will be seen on a first-come-first-serve basis

To register for programs and for additional Career Services workshops that might be of interest to you, be sure to go to our website: [www.vpul.upenn.edu/careerservices/masters/calendar.php](http://www.vpul.upenn.edu/careerservices/masters/calendar.php)

Spring 2016 - Programming for School of Design  
Career Services offers many programs and career related events during the spring semester, including the PennDesign Career Connection Day fair on February 26, 2016. Details about the fair are here: [www.vpul.upenn.edu/careerservices/careerfairs/studentinfo.php](http://www.vpul.upenn.edu/careerservices/careerfairs/studentinfo.php)
