Thank you for taking the time to complete your application to the Upward Bound program at University of Pennsylvania!

Upward Bound is a completely free college preparatory program for students in the West Philadelphia area. Students attend Saturday Academy classes at Penn. They complete community service hours, attend cultural trips and go on college tours. Students are paid a stipend for passing grades. Over the summer, students are invited to apply for the Summer Academy, where they live on Penn's campus for five weeks living on campus as college students.

This program is available to students at Parkway West, Overbrook, Sayre, and West Philadelphia high schools who are motivated to attend college after graduating. In order to join, students must be first generation college students and/or satisfy income requirements. This means that neither their biological mother nor father received a Bachelor's degree.

Please don't hesitate to contact us with any questions or concerns regarding the application process.

Warmly,
Upward Bound Staff
