Dear Penn Fraternity or Sorority Leadership Team member,

Welcome back!!! We look forward to another great year in Penn’s Fraternity and Sorority community, and as a Chapter President or Governing Council Executive Board Officer, you are an integral part of the success of this fraternity sorority system.

In past years we have compiled a rather lengthy ‘manual’ as a resource for you. As in past years, we continue to make all things available at your fingertips @ www.vpul.upenn.edu/ofsal on OSA/FSL’s website. All you ever wanted to know about OSA/FSL, information on Facilities Partnerships, Emergency Guidelines, Disciplinary and Investigative processes, University Policies, Resources, and Risk Management is now all on the web. On this website you will find helpful information such as important dates, contact information, policies, procedures, important memos, etc. a constant resource to assist you in your work and responsibilities as a leader in the Greek system. There is no excuse to not know or have all of this information. You can also encourage all of your chapter officers to visit these same sources of information as well.

There is also some information relevant to housing/facilities management. If your chapter does not have a house, or is a privately owned or leased house, please glean from this information what you can that will be helpful and perhaps set up a similar policy or procedure in partnership with your alumni house corporations or graduate chapters where applicable.

OSA/FSL staff is here to work with you as partners in making your organization the best it can be, supporting you in being better leaders, and to assist in providing an optimal fraternal experience for all involved. If there is anything that we can do in these regards, please do not hesitate to contact us.

Best wishes to you and your organization!

Fraternally,
