Areas of Focus:
- Communicable and Chronic Diseases
- Injury, Alcohol, and Drugs
- Stress and Mental Health
- Target populations and Interventions

STRATEGIC PRIORITIES

Mission: The University of Pennsylvania's Campus Health, the public health section of Student Health Service, provides the entire Penn community with health education and promotion, disease surveillance and prevention, and policies that make the healthy choice the easy choice. We work collaboratively to produce evidence-based, data-driven, and inclusive outcomes.
