Immunization Requirements
Fall 2014 and Spring 2015

As a condition of enrollment, all full-time students and all students living in campus housing must meet the following requirements. Failure to meet these requirements will result in denial of student registration privileges.

1. Hepatitis B
   • 3 doses of Hepatitis B vaccine are required. Doses 1 and 2 must be administered at least 4 weeks apart. Dose 3 must be at least 4-6 months after the 2nd dose. **OR**
   • Blood test showing immunity

2. Measles, Mumps, Rubella (MMR)
   • 2 doses of MMR vaccine are required. Dose 1 must be administered after the 1st birthday. Dose 2 must be administered at least 4 weeks after the 1st dose. **OR**
   • Blood test showing immunity

3. Varicella (Chicken Pox)
   • 2 doses of varicella (chicken pox) vaccine are required. They must be administered at least 4 weeks apart. **OR**
   • Blood test showing immunity **OR**
   • History of chicken pox illness

4. Tetanus-Diphtheria-Pertussis (Tdap)
   • 1 dose of Tdap (tetanus toxoid, reduced diphtheria toxoid and acellular pertussis) vaccine is required.
   • Td (tetanus-diphtheria) vaccine does not satisfy this requirement.

5. Meningococcal
   • 1 dose of meningococcal conjugate vaccine (MCV4, such as Menactra or Menveo) administered since age 16 is required of all incoming students living in campus housing who are age 21 or younger.
     o Meningococcal conjugate vaccine is preferred although meningococcal polysaccharide vaccine (MPSV4, such as Menomune) is acceptable.
     o At minimum, serogroups A, C, Y, and W-135 must be covered.
   • Incoming students living on campus who are age 22 or older may submit either proof of vaccination or a Meningococcal Vaccine Waiver.

**Note: Tuberculosis**
   • The University performs TB screening of all incoming students using an online TB Risk Screening form.
   • If TB testing is indicated by this screening tool, you will be notified by the Immunization Compliance Office for further steps.

Please note: Students in health professional programs may have additional immunization requirements. Please check with your program administration.
